Check the best answer to the following:

My Learning Experience	Highly Disagree	Disagree	Agree	Highly Agree	Not Applicable
1) The lessons were challenging, but not beyond my abilities.					
2) I received the help I needed.					
3) I was able to complete or make good progress on a course for high school credit.					
4) I learned important life skills that will be valuable to me in everyday situations (such as lessons in finance and health).					
5) I have a better idea about my options (such as enrolling in a HSED program, returning to high school or deciding about career goals).					
6) I made progress in learning English.					

Name at least one way the migrant education program helped you.
(For example, "I improved my English language skills.")

What suggestions do you have for improving services for out-of-school youth in the migrant education program?
